Have you been thinking about education options beyond high school? Wondering what supports might be available at college or university? Perhaps you are thinking more about continuing to upgrade your literacy skills or taking courses just for fun? Would you like to hear from other youth and parents who have experience some of these pathways? Come out to our Reality 101 series and get the inside scoop.

A panel of parents and youth will share information and tips about their experience with a variety of options for continuing education beyond high school. You will have an opportunity to connect with others and ask any questions you may have.
