

What is Applied Behaviour Analysis?

For parents/caregivers of children/youth with ASD

Date: Monday April 9, 2018

Time: 12:30 – 2:30 p.m.

Location: TVCC
220-1717 Second Ave E.
Owen Sound, ON

Register: Online at <https://wiabaowensound.eventbrite.ca>

Parking: Onsite

Additional Information:

Register online via link above or if you are having technical difficulties call Carrie at 519-685-8700, ext 53367 (toll free: 1.866.590.8822) at least one week prior to the workshop with date/time, name(s), phone number and email address. We will email you a confirmation.

Space is limited. Register early to avoid disappointment.

This presentation will introduce Applied Behaviour Analysis. We will define behaviour (hint: it involves everything we do, even the “good” stuff!). You will learn what affects behaviour, how to change behaviour and teach new skills. ABA is an essential part of all our programs in Autism Services. We will discuss why it is important for you to learn the techniques.
