

Why do They do That?

Understanding Behaviour (Part 1 & 2)

For parents/caregivers of children/youth with special needs

Dates/Times/Register: (Part 1)

Tuesday April 10, 2018; 10:00 am – 12:00 pm

Register online at

<https://understandingbeh1sarniaapr10.eventbrite.ca>

Then Register for: (Part 2)

Thursday April 12, 2018; 10:00 am – 12:00 pm

Register online at

<https://understandingbeh2sarniaapr12.eventbrite.ca>

Location: TVCC Office, Lambton College, North Building, 1431 London Rd, Sarnia, ON

Parking: Enter off of London Rd. Ask for an Early Year's pass at the kiosk, then turn right and park in the first parking lot. Walk out front to the right and you will see the TVCC office sign.

Additional Information: Register online via link above or call Carrie at 519.685.8700, ext 53367 (toll free: 1.866.590.8822) at least one week prior to the workshop with date/time, name(s), phone number and email address. We will email you a confirmation.

In this two-part workshop, parents/caregivers will learn about the ABC's of behaviour. Please note that participants need to have attended Part 1 to participate fully in the Part 2 activities:

In **Part 1**, we identify behaviours that interfere with everyday activities. We will also explore how parents can gather information about the interfering behaviour and develop prevention strategies. In **Part 2**, parents and caregivers will continue to learn about the ABC's of behaviour. We look at why interfering behaviours happen and the strategies to help manage them on a daily basis. Parents/caregivers identify alternative behaviours to teach their child and develop a plan to target a specific interfering behaviour. *Please note: that we cannot address more severe interfering behaviours such as self-injurious behaviour (e.g., hits own head) or aggression that causes physical harm to others.*
