This open house is an opportunity for parents, caregivers and service providers to meet with many of the community-based recreation, leisure and sport programs that are available for children and youth with special needs in the London region. Meet with the coaches and participants of these programs, ask the questions you have always wanted to know, and meet with other parents that are also exploring different opportunities. Some of the programs that may be in attendance are London Blizzard Sledge Hockey Program, George Bray Sports Association, A League of Our Own Soccer Club, Vipers Cheerleading Squad, Heroes' Circle Karate, Dance London, Making Waves Swim Program... and others.
