Additional Information:

Register online via link above or call Carrie at 519-685-8700, ext 53367 (toll free: 1.866.590.8822) at least one week prior to the workshop with date/time, name(s), phone number and email address. We will email you a confirmation.

This presentation will introduce Applied Behaviour Analysis. We will define behaviour (hint: it involves everything we do, even the “good” stuff!). You will learn what affects behaviour, how to change behaviour and teach new skills.

ABA is an essential part of all our programs in Autism Services. We will discuss why it is important for you to learn the techniques.
