Have you been thinking about moving out on your own? Perhaps you are wondering what supports are available? Are your parents worried that you might be living with them forever? Or maybe they want you to, and you are worried about that?

A panel of parents and youth will share information and tips about their experience with independent living and supportive housing. Both traditional housing models and individualized solutions will be discussed. Come on out to our Reality 101 session and get the inside scoop! You will have an opportunity to connect with others and ask any questions you may have.
