Additional Information:

If you have questions about the group, please email abagroups@tvcc.on.ca.

Description

Games Group is a virtual group, held weekly, for children and youth with autism.

Children and youth will participate in a variety of games with peers, like board games, guessing games, group games, video games, quizzes, or card games.

Some skills your child or youth will practice are turn taking, sharing control of a game and making appropriate comments.

Parent participation is needed if your child requires help to participate or communicate.
