Description

Sign up today for the Autism Mail Club! You will receive a free resource in the mail each month during June, July, and August, 2021.

Back by popular demand, we are repeating the resources included in the first round of Mail Club:

Package #1: First/Then Board

Package #2: The Transition or Fidget Object

Package #3: The Countdown Board

Along with the resource, you will receive a handout and a 30-minute consult to help you use it with your child.

Consults will be booked when you register and will be available the first two weeks of each month for the resource sent the previous month (e.g., consult at the start of July for the June resource).

** Stay tuned for a second set of resources to be announced soon!
