Description

Covid have you stuck inside? It is time to get out and start exploring!

Join the Therapeutic Recreation team for a Leisure Education workshop series focusing on information about outdoor activities. Each session will focus on a different outdoor activity and as a group we will explore adaptations and strategies to make activities inclusive for all!

Register at the link above and attend all sessions or just the ones that interest you and your family. Let us know if you have an idea for a future topic by contacting us at tr@tvcc.on.ca or 226-948-0297.

- June 17 - Hiking and Trails
- June 24 - Gardening
