## Workshop Description:

School is back in session! In our High School workshop series, we will be talking about how to best prepare for the upcoming school year.

We'll be covering topics like: what to expect on the first day, how to talk to your teachers, making friends, joining clubs, and how to take care of yourself through all of it! Along with fun games and activities, we will also be having speakers from TVCC who will share their experiences and give you some tips and tricks to help you get through high school!

Whether you are entering your first year of high school or your last, come share your hopes, fears, questions, and experiences. Have a youth-aged sibling or friend? Bring them along! We can't wait to meet you!

If you are having trouble registering online or have questions about the Zoom platform, please contact [register@tvcc.on.ca](mailto:register@tvcc.on.ca) or 519-953-5445.
