Description

This activity is for clients of TVCC (or those eligible to become a TVCC client) and who reside within Elgin-Middlesex-Oxford, Grey-Bruce, and Huron-Perth counties.

Virtual Campfire is a fun and informal group where participants come together each week to participate in their favourite camp songs, stories, jokes, games and much more.

Special guests from TVCC and the community will lead our participants through an interactive evening. Themes and activities will be shared with families each week of campfire.

Family members and siblings are welcome to join us around the campfire.

Participants will be most successful if a parent/caregiver is available to offer support or supervision as needed.

For more information or questions, please contact Sasha Chircoski, Therapeutic Recreation, at sasha.chircoski@tvcc.on.ca
