

Improving Communication

For parents/caregivers of children/youth with ASD

Date: Wednesday February 6, 2019

Time: 12:30 – 2:30 p.m.

Location: TVCC
Ste. 100 South, Building 1020
Western Research Park
1086 Modeland Rd
Sarnia, ON

Register: Online at <https://communicationasdfeb6.eventbrite.ca>

Parking: Onsite

Additional Information:

Register online via link above or call Carrie at 519.685.8700, ext 53367 (toll free: 1.866.590.8822) at least one week prior to the workshop with date/time, name(s), phone number and email address. We will email you a confirmation.

This presentation is designed to provide information to parents, caregivers and community providers about typical development of language and communication, identify how communication affects a child with Autism and will discuss strategies that can be used to increase effective language and communication.
