After registration, a Recreation Therapist from TVCC will call you to explore your child's strengths/abilities and share information about the program. If you have questions about this program, please contact Sasha Chircoski, TVCC Therapeutic Recreation, 519-685-8700 ext 53396 or sasha.chircoski@tvcc.on.ca.

Jumping Jellyfish is a 6-week specialized swim program for preschoolers with special needs in TVCC's therapeutic pool. Children will explore readiness and basic swim skills including group songs, safe participation, pool entry/exits, floatation and specialized equipment with the goal of community participation. The final two sessions will be held in the community. Parent/caregiver **must** accompany their child in the water during the program.
