

# Understanding Behaviour: Why do they do that? Part 1

**For parents/caregivers of children/youth with ASD**

**Date:** Wednesday March 20, 2019

**Time:** 6:00 – 8:00 pm

**Location:** TVCC Office, Large Meeting Room  
220 Riverview Dr, Upper Level  
Chatham, ON

**Register:** Online at  
<https://behaviourmar20.eventbrite.ca>

**Parking:** Parking onsite

**Additional Information:** If you cannot register online, please call Carrie at 519.685.8700, ext 53367 (toll free: 1.866.590.8822), at least one week prior to the workshop, with date/time, name(s), phone number and email address. We will email you a confirmation.

In the first of this two-part workshop, parents and caregivers will learn about the ABC's of behaviour.

In Part 1, we identify behaviours that interfere with everyday activities. We will explore how parents can gather information about the interfering behaviour and develop prevention strategies. Please note: that we cannot address more severe interfering behaviours such as self-injurious behaviour (e.g. hits own head) or aggression that causes physical harm to others.
