

# Why Do They Do That?

## Understanding Behaviour Part 1

For parents/caregivers of children/youth with special needs

**Date:** Friday, March 8, 2019

**Time:** 12:00pm – 2:00pm

**Location:** TVCC Office  
3295 Quality Way  
Windsor, ON

**Register:** Online at  
<https://behaveprt1.eventbrite.ca>

**Parking:** Parking onsite

**Additional Information:** Register online with one of the links above or call Carrie at 519.685.8700, ext 53367 (toll free: 1.866.590.8822), at least one week prior to the workshop, with date/time, name(s), phone number and email address. We will email you a confirmation.

In the first of this two-part workshop, parents and caregivers will learn about the ABC's of behaviour.

In Part 1, we identify behaviours that interfere with everyday activities. We will explore how parents can gather information about the interfering behaviour and develop prevention strategies. Services and supports offered in partnership with Children's Treatment Centre of Chatham-Kent and John McGivney Children's Treatment Centre.

Please note: that we cannot address more severe interfering behaviours such as self-injurious behaviour (e.g. hits own head) or aggression that causes physical harm to others.
