Camp Storybook combines all the best aspects of a day camp experience with the features and activities of Storybook Gardens. Children with special needs can participate in this integrated camp and will enjoy a balanced program of traditional camp activities such as crafts, games, nature walks and outdoor exploration, while also visiting the spray pad, Pirates Island play area, sand pit, jumping pillow and amusement rides. Campers will be supported by TVCC therapists and volunteers. Children's support needs will be discussed on an individual basis with parents prior to start of camp.
