Gymworld Inc. offers a fun and innovative integrated summer camp opportunity. This program is suited for children with special needs, who are able to walk independently or with minimal support. This half-day camp includes 1.5 - 2 hours of structured gymnastics as well as exciting games and a variety of crafts. Campers will be supported by TVCC therapists and volunteers. Children's support needs will be discussed on an individual basis with parents prior to start of camp.

One goal of camp is to give campers an independent experience from their parents. Parents please drop off and sign in your child for 8:30 a.m. and pick up and sign out your child at 11:30 a.m. to help facilitate this goal.
