Summer Surprise is a community-based recreation program for youth, with disabilities aged 12-21 years who use augmentative and alternative communication (AAC).

The program emphasizes fun and laughter through a variety of activities such as music, swimming, crafts and special events. **Therapists from TVCC will support augmentative communication and enhance literacy skills for campers the week of July 15 – 19, 2019 ONLY. No other weeks are supported (Camp runs from July 2-August 23, 2019).** *This is a partnership program with The City of London.*
