After registration, a Recreation Therapist from TVCC will call you to explore your child's strengths/abilities and share information about the program. If you have questions about this program, please contact Sasha Chircoski, TVCC Therapeutic Recreation, 519-685-8700 ext 53396 or [sasha.chircoski@tvcc.on.ca](mailto:sasha.chircoski@tvcc.on.ca).

Babies and toddlers with special needs can explore swimming in a supportive group environment in TVCC's therapeutic pool. Participants will enjoy water experiences including group songs, games, handling positions, swim skills and explore water floatation devices while playing and socializing with peers. Parents/caregivers **MUST** accompany their child in the water.

For our final swim session, we will be visiting the Stoneycreek YMCA at 10:30 am to participate as a group. Starting at 11 am, families are welcome to stay for some unstructured swimming during Stoneycreek's Family Swim.
