PA Day Splash is an un-structured swim group for school-age children with special needs and their siblings offered in TVCC's therapeutic pool. A discovery call will take place to explore your child's strengths/abilities and determine strategies for safe participation, pool entry and exit, flotation and specialized equipment.

Please note; a parent/caregiver **must** accompany their child/ren in the water. This program is inclusive of siblings within the above noted age range. Please register all children (TVCC clients and their sibling(s)) when registering on Eventbrite. Spaces are limited.
