CALLING ALL LITTLE ADVENTURERS! Join us for this exciting integrated outdoor program opportunity in collaboration with Childreach. At WILD CHILD, we will head into the woods to enjoy free play in a natural setting. We will be touching/looking at different plants or insects, and climbing/exploring the environment. This program is a chance to demystify the risks of outdoor play and increase confidence and competence in child-led, inquiry-based outdoor opportunities. Please dress accordingly, and bring a snack.

Parents/caregivers MUST accompany their child/ren throughout the entire program. Thames Valley Children’s Centre (TVCC) staff will only be in attendance on November 7th so families registering through the above link, must be a client of TVCC. If this date does not work for you, please visit <https://www.childreach.on.ca/outdoor-play> to see WILD CHILD’s other scheduled programs.
