### Additional Information:

If you are unable to register online, call Carrie Connell at 519-685-8700 ext 53376. After registration, a Recreation Therapist from TVCC will call you to explore your child's strengths/abilities and share information about the program. If you have questions about this program, please contact Sasha Chircoski, TVCC Therapeutic Recreation, 519-685-8700 ext 53396 or [sasha.chircoski@tvcc.on.ca](mailto:sasha.chircoski@tvcc.on.ca).

Babies and toddlers with special needs can explore swimming in a supportive group environment in TVCC's therapeutic pool. Participants will enjoy water experiences including group songs, games, handling positions, swim skills and explore water floatation devices while playing and socializing with peers. For our final swim session, we will be visiting the South London Community pool to participate as a group. Parents/caregivers MUST accompany their child in the water.
