Questions: Please contact Sasha Chircoski, TVCC Therapeutic Recreation,
519-685-8700, ext 53396 or sasha.chircoski@tvcc.on.ca.

Additional Information: TVCC therapists and volunteers are only available to support children who are clients of Thames Valley Children's Centre. Support needs will be discussed between individual parents and TVCC staff prior to camp.

This inclusive camp will feature themed hands-on activities, focusing on the Wonders of Water. Discover the secrets of oceans and the science of H₂O. Explore bioluminescence, learn about deep sea creatures, and experiment with water in all its forms. Learn about caring for our waters and the creatures it supports. This unforgettable week includes play-based learning, real museum artifacts, gallery exploration, and outdoor activities.

This camp is best suited for children who can be safe in unfenced outdoor spaces on walks to a community splash pad and playground. Also please note, the group will use all the busy areas of the museum that can be highly stimulating.
