

Funding Guide

For Families of Children and Youth with Disabilities

Disclaimer

This guide is a free service intended to assist parents of **children and young adults with physical disabilities, communication disorders, developmental delays, and autism spectrum disorders, living primarily in Southwestern Ontario** in obtaining information on various supports that are available. While every effort has been made to provide accurate information, we make no guarantee of any kind with respect to the information included in this guide as to its completeness or accuracy.

Thames Valley Children's Centre (TVCC) is not responsible for any action taken as a result of relying on or using information contained in this guide and in no event shall the Centre be liable for damages resulting from reliance on or use of this information. TVCC also does not endorse or support any specific program or service mentioned in this guide. Users should use their own best judgment regarding the usefulness and accuracy of any information presented.

If you become aware of any inaccuracies we would appreciate being informed. Please send us comments, updates, or questions to our Administrative Assistant at 519-685-8700 ext 53441.

Developing a Funding Strategy

Thames Valley Children's Centre has written this guide to assist you in understanding the funding and supports that may be available for your child or for yourself if you are a young adult. We want to help in any way we can to ensure that you are successful in accessing resources in your community.

Keys to Success: Access to information and careful planning!

In addition to your local library and at-home internet access, TVCC offers families use of its Resource Centre for internet access and other resources collected to meet the unique needs of the families we serve. Please feel free to use the Resource Centre Monday to Friday between 8:30 am and 4:30 pm, except holidays.

Before you identify a possible source of funding, take the time to outline your needs. The following will help you.

Planning

Write a Short Description of Your Child

Present this on a single page. If possible, include name and date of birth of your child.

- Complete address and phone number of the family
- Your child's primary disability
- Time of onset and cause of disability, if appropriate
- Any secondary disabilities
- General family background: parent's occupation, siblings, time in the community

Write a Description of the Equipment Needed

Describe in detail what you need to purchase. Indicate how the equipment will help. Be as specific as you can about the product, the vendor, and the price range. If possible, obtain a picture of the equipment. If the equipment will need adaptations, describe those as well. Some fund granting organizations may require price quotes, if available.

Create a List of Potential Donors

Make a list of potential sources of funding. If you plan to conduct a fundraising activity, such as a bake sale, now is the time to decide what you will do and estimate what you might raise.

Next, list other community resources you want to contact, such as local services clubs, local unions, your church, employee groups, or your school's parent council. If possible, estimate what you think these groups would be able to contribute.

External donors appreciate when a family is able to match their gift with a family contribution. For example, one family sold "angel pins" to raise money for a specialized bicycle. The external donor contributed an equal amount as the amount raised by the family. Think in terms of several small fundraisers. You might be surprised by how much money you can raise.

Action

Write a Cover Letter

Your letter should be one page that is clear and concise. Introduce yourself and explain why you are contacting the organization or individual, not only in terms of your need but also why you chose to contact this particular group. Include a brief description of your child and his or her needs. If possible, attach a picture of your child and/or the equipment.

Additional Help

A Social Work team member can be available to active TVCC families to assist with complex funding issues and in completing funding applications.

If you are applying to a government agency such as the Assistive Devices Program (ADP), or a community agency such as the Easter Seals Society, review the application deadlines and requirements carefully and follow the instructions precisely.

Be optimistic. When you have a plan and a goal, you can accomplish more than you think!

Sample Cover Letter

Date:

Anytown Rotary Club Mr. B.
Anyone, President 11199
Some Avenue Anytown, ON
N6C 4P6

Dear Mr. Anyone:

I am hoping that the Anytown Rotary Club can help my son Brian. Brian was born with Cerebral Palsy, which affects his mobility on both sides of his body. His muscles are very tight and he is able to walk only with the help of a walker. He receives treatment at Thames Valley Children's Centre.

I have attached more detailed information about Brian and our family.

As part of Brian's therapy at TVCC, he has recently been able to borrow a specialized bicycle designed for children like him. You would not believe the remarkable change we've seen in his confidence as he gains some independence by being able to pedal his own bike! He is also developing very important body strength that will aid in his growth and coordination. He has been able to join his friends and family outside for recreation and therapy - a gift that has opened up a whole new world for my son!

We have certainly seen first-hand the benefits of Brian owning a bicycle of his own. After his resource assessment at TVCC, we learned that the bike he needs is about \$1700. None of this cost is covered by our medical insurance. So far, we have raised \$200 through a neighbourhood carnival. I know that the Rotary Club can sometimes fund small grants for families facing our challenges, and I am hoping that you could help us meet the remaining cost.

Any assistance you could offer would be greatly appreciated. I have enclosed a photo of the bicycle and a letter from Brian's physician. Please call me at work during the day or at home in the evening if I can provide any other information. I would also be able to join you at one of your meetings if you would like to hear our story in person.

Thank you very much.

Sarah Someone

Possible Sources of Funding

The remainder of this guide includes information about various groups and organizations that may be able to provide you with funding or assist in the funding process. Included is a description of the organizations as well as contact information.

It is suggested that you review the guide and mark those organizations that you feel can best help to meet your needs. Before sending a letter, contact the organization to confirm the contact name, application procedure, deadlines, and any other special instructions. Please note that some organizations have limited funds and there is no guarantee that funding will always be available.

Additional Information

Some organizations may require additional information. Be prepared to submit the following if requested:

- A letter of diagnosis about the child's disability from a physician
- A letter from a secondary party (social worker, physical therapist, etc.)
- Documentation confirming the income of the child's guardian(s)
- Any funds that the family has secured or seeking

NOTE: Do not order and pay for a piece of equipment before you acquire the funding.

General Funding

Assistance for Children with Severe Disabilities (ACSD)

This is a monthly allowance for disabled children. It is intended to help compensate for expenses beyond those of raising an able-bodied child. These include:

Living Expenses: Extraordinary transportation, accommodation and meal costs, specialized childcare, clothing, linen and laundry, diapers, special diet, special shoes.

Medical Expenses: Equipment for hearing (e.g., phonic ear, watch master, portable telephone amplifier); visual (e.g., monocular, bright field magnifier); speech (e.g., speech-generating devices), drug costs, medical/surgical supplies, dental costs.

Educational and Social Expenditures: Special learning/development equipment (e.g., educational toys, books, tapes, batteries); specialized day care; special education; special summer camp fees; parental relief.

Application forms can be obtained directly from a Ministry of Children and Youth Services office.

Website: www.children.gov.on.ca/htdocs/English/specialneeds/disabilities.aspx

Contact: Ministry of Children and Youth Services
South West Region
217 York Street, Suite 203

Fax: 519-672-9510

Child Care Expenses Deduction

You or your spouse or common-law partner may have paid for someone to look after your child who is under 16 years of age or has a mental or physical disability. Generally, the spouse or common-law partner with the lower net income can claim these expenses, but only if the expenses were paid so one of you could earn income, go to school, or conduct research. For more information visit the website provided or call the toll free number.

TTY: 1-800-665-0354

DEBRA Foundation

DEBRA Canada is a voluntary, registered non-profit organization providing support to families affected by Epidermolysis Bullosa (EB).

Their medical assistance fund (MAF) provides up to \$5000 per family per year in financial assistance for medical related expenses that are not covered by other health assistance plans. It can help pay for medical supplies, comfort aids, or allow for increased independence related to the care of EB. Each request must serve a beneficial medical purpose for the recipient and/or improve their quality of life.

To access funding, recipients must be a member of DEBRA Canada. Membership is *free* and can be applied for at the time of a MAF application. Applications can be obtained on their website. Completed applications can be mailed or emailed to the contact information below.

ehoyos@debracanada.org

Direct Funding Program

Direct Funding, through the Ontario Ministry of Health, enables adults (over the age of 16) with a physical disability to become employers of their own attendants. Attendants assist with routine activities of living, such as dressing, grooming, and bathing. Contact the Independent Living Centre in London for more information.

Disability Tax Credit T2201

This is a non-refundable tax credit for families caring for a child under 18 with a disability. It can be used to reduce the amount of income tax you have to pay. The Disability Tax Credit can also provide an additional “Disability Amount” to the Child Tax Benefit for families who receive it. If you are making a new application for this amount, you have to file a completed T2201 Form-Disability Tax Credit Certificate. If you have already qualified, do not file another form. For more information, contact Canada Customs and Revenue Agency's website or phone using their toll free number.

Website: www.cra.gc.ca/E/pbg/tf/t2201

Contact: Canada Revenue Agency
London Office
451 Talbot Street
London ON N6A 5E5
Ph: 1-800-959-8281
TTY: 1-800-665-0354

Disability Travel Card

The Disability Travel card is identification for a person with a permanent disability, which will permit an adult attendant to travel at a reduced fare with the person with a permanent disability. The Disability Travel Card holder pays a regular ticket price. The person with a disability must apply to Easter Seals/March of Dimes National Council by filling out an application. Applications are available on the website provided or contact the Easter Seals Society.

Jordan's Principle

Jordan's Principle is available to all First Nations children in Canada to make sure that they can access the products, services, and supports they need. Under Jordan's Principle, families can access funding and help with a variety of health, social and educational needs.

Examples of what has been funded under Jordan's Principle include:

- Mobility aids
- Wheelchair ramps
- Mental Health services
- Transportation to appointments
- Specialized hearing aids
- Therapeutic services (physiotherapy, occupational therapy etc.)
- Respite care
- Specialized school transportation
- Assistive technology

Each request is unique. It is important to confirm coverage in advance with the regional representative for Jordan's Principle.

For more information or to begin the funding request process, use the contact information below.

Personal Insurance Company

Contact your personal insurance company to inquire about assistance for the cost of equipment not covered by the Assistive Devices Program. Most other funding sources will request that you investigate this with your personal insurance first.

Residential Rehabilitation Assistance Program for Persons with Disabilities (RRAP-D) On-Reserve

This program provides financial assistance to First Nations members with a disability who need to make modifications to their home. Financial support is available for a wide range of modifications including ramps, handrails, bath lifts, fire alarms, and cues for doorbells. You can apply for support if you live on-reserve and meet the income requirements. Visit the Canada Mortgage and Housing Corporation website for more information.

Equipment

A Child's Voice Foundation

A Child's Voice Foundation is a registered charity, founded with the purpose of enhancing the physical and emotional well-being of any child who is physically or mentally challenged and/or disadvantaged. Through their *Kids Life Line* program, they have been able to provide one-time fulfillment to families in need, wigs for young cancer patients, and even food and clothing for children whose families are experiencing financial hardship. For application information, call the foundation or visit their website.

Assistive Devices Program (ADP)

The objective of the ADP is to financially assist Ontario residents with long-term physical disabilities to obtain basic, competitively priced, and personalized assistive devices appropriate for the individual's needs and essential for independent living. ADP covers over 8,000 separate pieces of equipment and supplies within the following categories:

- Prosthetic Devices
- Wheelchairs, mobility aids and specialized seating systems
- Enteral feeding supplies
- Monitors and test strips for insulin-dependent diabetics (through an agreement with the Canadian Diabetes Association)
- Hearing aids
- Insulin pumps and supplies
- Respiratory equipment
- Orthotic devices (braces)
- Pressure modification devices for burns and lymphedema (garments and pumps)
- Visual and communication aids
- Home oxygen therapy (concentrators, cylinders, liquid systems)

ADP will cover up to 75% of the cost of the equipment. Initial access is often through a medical specialist or general practitioner who must authorize the devices and specific needs of the individual. Application forms are submitted by the specialist. Once the application is reviewed by ADP, the approval or denial will be sent to both the caregiver and the specialist.

Bella Bumba's Mobility Chairs

Bella Bumba's is a charity that makes low-cost mobility devices for young children (4 or 5 years old) with mobility challenges due to Spina Bifida or other disabilities. For more information, visit their Facebook page.

Website: www.facebook.com/bellasbumbas/

Easter Seals Ontario

Easter Seals provides financial assistance to families of children and young adults with physical disabilities. The Society awards over \$2 million in financial assistance each year. The Society acts as a third party funder and as such has no role in prescribing, recommending equipment, selecting a vendor/contractor or in the relationship between the parent and the vendor. Funding is currently available between January 1st to September 30th or until all funds are gone.

The Easter Seals Society provides funding for:

- Accessibility/activities for daily living equipment (ramps, porch lifts, van lifts); bath/toilet aids (shower chair, bath chair, grab bars)
- Communication devices (computers for basic communication for children who cannot talk)
- Mobility aids (wheelchairs, walkers)
- Orthotics (braces, splints)
- Transportation (van tie downs)
- Camps (Easter Seals camping fees, individual recreational experience)

Easter Seals also oversees the "**Incontinence Supplies Grant Program for Children and Youth with Disabilities**" (Assistive Devices Program) - diapers, catheters, reusable garments, liners and enema supplies. You must register with the Easter Seal Society to receive an application.

Contact the society to register.

Muscular Dystrophy Canada

The MDAC equipment program helps individuals obtain a wide range of assistive devices to aid with mobility, breathing, sitting and positioning, accessibility, communications, and sleeping. In other circumstances, the program provides a loan of basic equipment and devices including scooters and wheelchairs. Requests must be submitted for approval before purchasing the equipment. If a request is made for a device that MDAC does not cover, MDAC staff may be able to suggest other sources of funding. For more information, contact the London Region Chapter.

Ontario Federation for Cerebral Palsy Assistive Devices Funding Program

The Ontario Federation for Cerebral Palsy Assistive Devices Funding Program is available to persons with cerebral palsy in the province of Ontario and who have a valid Ontario Health Card. The level of funding assistance may vary based on the cost of the item and the availability of Ontario Federation for Cerebral Palsy funds at the time the request is received. The request for financial assistance must be submitted prior to the equipment or item being ordered and/or purchased. Labour, installation, delivery, therapy or assessment costs are not funded. Maximum funding is up to \$2,500.00 per year per person (not to exceed 25% of total cost per item). The application period for submission of applications will be September 10 to June 1 annually.

The following must accompany the completed application:

- Copy of ADP approval
- Health professionals current authorization
- 2 price quotes from Ontario vendors
- Other sources of funding that have been accessed or denied

For more information and an application form please visit the website below or contact the federation.

Support Services

Circle of Care

Circle of Care services are funded through various sources: Local Health Integration Networks (LHIN); provincial and/or municipal government funding; grants; charitable donations; and fees for service. Some services are provided on a subsidized basis to eligible persons, or at no charge. Where you or your family member may be eligible for publicly funded service (for instance, through the LHIN) or private insurance coverage, Circle of Care staff will ensure referral and coordination of service with the appropriate organization. To persons of every age and circumstance, Circle of Care offers a broad range of health and home support service options to improve well-being, independence and quality of life, and to offer an alternative to institutional care. Circle of Care is a community-based, charitable organization that has been serving Toronto and area residents since 1971. You can contact the organization for more information, Monday - Thursday 8:30 am - 4:30 pm, Friday 8:30 am - 3:30 pm.

National Service Dogs (NSD)

National Service Dogs is a non-profit charity that trains assistance dogs for children with disabilities. NSD dogs are trained to assist people with:

Autism Clients as young as five have been paired with dogs. Dogs can be trained to prevent children from running into the street, leaving the home or classroom without supervision. Service dogs also encourage socialization.

Physical Disabilities Dogs are trained to assist children with lifelong physical challenges such as Spina Bifida, Cerebral Palsy, Multiple Sclerosis as well as other disabilities. Dogs may be able to pull wheelchairs, open doors, and retrieve dropped items.

Blindness Dogs are used to guide blind or visually impaired children as well as children with dual disabilities such as visual impairment, deafness, seizure disorders, and physical disabilities. Guide Dogs can help lead a person safely.

To apply for a dog, write a one-page letter describing what you and your child's life is like and

how you think a service dog would help. Once the letter is received, NSD will recommend alternatives or send an application for a dog. The waiting list for a dog is generally two years. The cost of a dog is a one-time fee of \$125 but the new owner is responsible for all food and veterinary costs. Dog recipients are expected to give back to NSD by assisting in fund raising events. Please visit the NSD website to fill out their online application form and request more information.

Wish Granting Organizations

The Children's Wish Foundation of Canada

The Children's Wish Foundation of Canada is a federally chartered, non-profit organization dedicated to fulfilling a favorite wish for children afflicted with a high risk, life-threatening illness. Arranging a trip to some far away destination, providing a customized computer for a child with special needs, tracking down a favorite celebrity, or simply finding exactly the right puppy, all are given equal care and consideration. Children are eligible from three years of age and over but must be under the age of 18 years at the time the request is received. They must be legal residents of Canada and have an illness, which is categorized as a high risk, life-threatening condition. Referrals can be made through a healthcare professional or family; but the wish must be communicated by the parents or legal guardians to the foundation directly. Eligibility is determined by contacting the treating physician for a confirmation of diagnosis. The physician must confirm the child is able to travel. Contact the Ontario Chapter to refer a child.

Starlight Children's Foundation

Starlight Children's Foundation is an international, non-profit organization dedicated to improving the quality of life for seriously ill children and their families. Working with more than 1000 hospitals, the Foundation provides both in-hospital and outpatient programs and services. The foundation addresses the needs of seriously ill children and their families through six core programs, some directed specifically to the hospital environment, others designed to support a child's eventual return to home and daily routine. Understanding that when a child is sick the whole family suffers, their programs always incorporate the entire family. For more information call or email the foundation.

Sunshine Foundation

The Sunshine Foundation can fulfill individual dreams all year round for children living in Canada. To bring a dream to a child, the national office staff and volunteers in London Ontario must review a formal request. There are four criteria for eligibility. The child must:

- Be 3-19 years of age (not yet turned 20) and have at least the cognitive ability of a three-year-old
- Have a severe physical disability or a life-threatening illness
- Be able to formulate his or her dream (this must be the dream of the child) and communicate the dream with or without technical assistance
- Have not already received a dream or wish from a similar organization (however may have participated on a Sunshine Dreamlift)

Note: The Sunshine Foundation has currently paused on accepting new referrals for individual dreams until the current approved dreams have been completed. Please contact them directly for more information.

Post-Secondary Education

Aird Scholarship

This scholarship is intended to help students with physical disabilities to study full time at a recognized Ontario postsecondary institution. It is hoped that the award will encourage a special talent of lifelong interest. The scholarship is granted each year to two applicants who demonstrate outstanding scholastic achievement, motivation, and initiative. Each successful applicant receives \$2,500. The application is available at the website provided.

Canada Student Grant for Persons with Permanent Disabilities (CSG-PDSE)

This grant is for students enrolled in a full-time or part-time program who self-identify as having a permanent disability. For the purposes of this grant, a permanent disability is defined as a

functional limitation that is caused by a physical or mental impairment that restricts your ability to perform the daily activities necessary to participate in studies at a postsecondary level or in the labour force, and that is expected to remain with you for your life. The amount of aid is up to \$8,000 per academic year.

Severe Permanent Disability Benefit

This benefit is for borrowers in repayment with severe permanent disabilities. It is loan forgiveness for student loans. To apply, contact the National Student Loan Service Centre and ask to have your call forwarded to the Canada Student Loans Program. The Canada Student Loans Program administers the Severe Permanent Disability Benefit on Ontario's behalf. If you are in repayment and have a permanent disability that does not meet the definition of a severe permanent disability, you may be eligible to apply for repayment assistance through the Repayment Assistance Plan. The Repayment Assistance Plan helps borrowers with permanent disabilities pay off their loans in ten years.

Part-Time Student Loans

This program provides loans and grants. Government student loans are based on your assessed financial need. Qualified part-time students in Canada could get up to \$10,000 in federal loans. In addition, part-time student grants are also available, including: up to \$1,200 per year for part-time students from low-income families; \$40 per week of studies if you have 1 or 2 children under the age of 12 (or a dependent with a permanent disability who is 12 or older); and \$60 per week of studies if you have 3 or more children under the age of 12 (or a dependent

with a permanent disability who is 12 or older).

Kiwanis Clubs

Kiwanis International is a thriving organization of service and community-minded individuals who support children and young adults around the world. Service projects address other needs within the community, such as working to stop substance abuse, helping the elderly, promoting literacy, supporting youth sports and recreation, responding to disasters, and supporting specific persons in need. Kiwanis Clubs generally award funding to charitable organizations but have been known to help individuals from time to time. Contact the club in your area to ask about application procedures.

Mocha Shriners

The Shrine of North America is an international fraternity of approximately 500,000 members throughout the United States, Mexico, Canada, and Panama. The Shrine's official philanthropy is Shriners Hospitals for Children, a network of 22 hospitals that provide expert, no-cost orthopedic and burn care to children under 18. The Mocha Shriners of London will accept written requests for individual funding for specialized equipment for children up to the age of 18. Send the written request of care to the president.

Ontario State Office Knights of Columbus

The Knights of Columbus has become the largest lay organization in the Catholic Church. The Order continues to break all previous records for charitable contributions and volunteer service. In the past decade, the Knights donated nearly \$1 billion to numerous charitable causes and nearly 400 million hours of volunteer service.

Requests for funding must be made in writing. Requests should be sent to the Ontario State Council or to your local council. To find the council in your area, contact the Ontario State Council.

Ontario State Knights of Columbus Bursary Program

The Ontario State Chaplains Bursary program was established to award to five (5) successful applicants each year a bursary of \$1,000.00 each. This program provides a bursary to assist Knights and members of their families entering the first year of a post-secondary education. Candidates who are eligible for an Ontario Knights of Columbus Bursary are:

- A member of the Knights of Columbus of Ontario in good standing
- The wife, son or daughter of a member in good standing
- The wife, son or daughter of a deceased member in good standing at the time of death
- A grandchild who is the legal ward of a member in good standing
- Applications must be submitted by May 1 of the current year. Schools and individuals may reproduce the application form or download it through the website.

Although the applicant's marks are important and taken into consideration, it is important to note that in many cases where an applicant is successful, it is based on their need. The bursary recipients will be announced by the end of June of the current year.
