Are you looking for fun activities to keep you busy this summer? Do you want to meet others who share your values? Are you social justice minded? Do you want to debunk myths about people living with disabilities? If you have answered yes to any of these questions, then this event is for you! The purpose of this event is to raise ability awareness and to demonstrate how our city can become a more inclusive community. Everyone will meet in front of the band shell in Victoria Park to learn cheers, listen to a keynote speaker and get pumped up! We will supply signs of positive messages for our march down Richmond Street to Oxford Street and back. The official colours of the walk are pink and green so get decked out!
