Additional Information:

If you experience difficulties registering, please call Carrie at 519.685.8700, ext 53367 (toll free: 1.866.590.8822), at least one week prior to the workshop, with workshop, date/time, name(s), phone number and email address. We will email you a confirmation.

This workshop helps parents understand what influences cooperation in their child or youth.

Parents will learn to identify opportunities to improve cooperation and will explore a "Give & Take" approach.
