

Thames Valley
Children's Centre

the facts

The dedicated staff of Thames Valley Children's Centre serve children and youth from before birth into young adulthood. Family-centred services are provided for individuals with physical, behavioural, communication and developmental needs and autism spectrum disorders. Services are provided in 10 counties of Southwestern Ontario and include specialized clinics, groups, participation programs, physiotherapy, occupational therapy, psycho/social services, speech therapy, augmentative communication, seating and mobility, leisure, recreation and fitness ... to name a few.

2,240

Volunteers

TVCC Volunteers promote and enhance the quality of life for our clients. They share talents and skills that provide something extra in our programs/services. Our broad range of volunteers include students, community members and former clients. By working in partnership with Hutton House and Participation House, TVCC also provides opportunities for adults with physical and cognitive challenges to give back by volunteering.

More than **200 volunteers** contributed in excess of **4,321 hours of service.**

13% of Volunteers have served 5 or more years

25% have served less than 1 year

62% have served 1 to 5 years

Leo can and you can too!
