## Description

A virtual interactive workshop for TVCC families preparing for the transition to high school. The event is for both parents/caregivers and their child with a disability.

The evening will begin with a panel presentation of parents and youth who have experienced the move to high school. Following the presentation there will be an opportunity to connect virtually with TVCC Youth Services and learn about TVCC programs and services for youth.

Families of youth with ASD will be asked for your OAP Client Information Reference Number during registration.

If you believe your child is registered with the OAP and need help finding your number, watch this video, <https://youtu.be/VjTC3aZNYZQ> or email [abs@tvcc.on.ca](mailto:abs@tvcc.on.ca).
