

Keeping Safe, All By Myself!

For children/youth ages 6 – 12, with autism spectrum disorder or special needs

- Dates:** Mondays (10 sessions total)
September 30 – December 9, 2019
- Time:** 6:00 p.m. – 7:30 p.m.
- Location:** Thames Valley Children's Centre
262 Lauzon Road, Windsor, ON
- Cost:** \$400
- Register:** 1.866.590.8822, press 1
- Parking:** Free

What if your child could say his/her name and address? What if he/she could follow safety instructions? What if he/she knew to stay with a caregiver, and make sure to keep a gate closed?

Your child can learn these skills and more! This group will also teach children to become more independent with things like setting the table, putting on shoes, dressing, washing his/her hands, brushing teeth, and other simple chores.

Your child will learn how good it feels to do things on his/her own!

This group is overseen by a Behaviour Clinician, who is a Board Certified Behavior Analyst® (BCBA®). The Behaviour Clinician writes a treatment plan specifically for your child's needs. A report of your child's progress is provided at the end of the group.
