Camp Descriptions

Junior Scientists

July 8 - 12

Ages: 3 - 9

This is an opportunity for your child to experience being a Junior Scientist for the week. This camp includes fun, interactive activities including hands on experiments and crafts.

Mini-Chef

July 22 - 26

Ages: 3 - 9

This camp will teach your child how to get around the kitchen safely, prepare food and make healthy choices. Campers will learn about setting the table and cleaning up all while enjoying their home-made treat.

Lego & Games

August 12 - 16

Ages: 3 - 9

During this week, your child will experience all the fun of building with Lego and trying new board games. We will encourage campers to build their skills of working together, follow instructions and improve their problem solving abilities.

Olympic Camp

August 26 – 29*

Ages: 3 - 9

This is a camp for kids with lots of energy and love playing games. We will introduce children to new activities in a structured and non-competitive environment. They will practice skills like turn-taking, waiting, and following rules.
