Financial statements

Thames Valley Children's Centre

March 31, 2017

Independent auditors' report

To the Board of Directors of **Thames Valley Children's Centre**

Report on the financial statements

We have audited the accompanying financial statements of **Thames Valley Children's Centre**, which comprise the statement of financial position as at March 31, 2017 and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Thames Valley Children's Centre** as at March 31, 2017 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on other legal and regulatory requirements

As required by the Corporations Act (Ontario), we report that, in our opinion, Canadian public sector accounting standards have been applied on a consistent basis with the preceding year.

Cash and cash equivalents, beginning of year	452,968	304,019
Cash and cash equivalents, end of year	1,116,109	452,968

Notes to financial statements

March 31, 2017

1. Purpose of the organization

Thames Valley Children's Centre [the "Centre"] is a treatment centre providing habilitation and rehabilitation services for children and youth with communication, developmental or physical challenges living primarily in Southwestern Ontario. The Centre is incorporated without share capital under the Corporations Act (Ontario) and is a registered charity under the Income Tax Act (Canada).

2. Significant accounting policies

These financial statements are prepared in accordance with Part III of the *Chartered Professional Accountants of Canada ["CPA Canada"] Handbook – Accounting* "Accounting Standards for Not-for-Profit Organizations", which sets out accounting standards for not-for-profit organizations in Canada and includes the significant accounting policies summarized below.

[a] Basis of presentation

The operations of the Centre have been presented in three categories for the information of the reader.

Government-sponsored programs account for the Centre's clinical program delivery and administrative activities that are financed by provincial ministries and other agencies, certain fees for service and other operating revenue. Any funding in excess of expenses is refunded to the funder.

Community funds account for activities funded by monies received from general donations, bequests and special fundraising events [note 16], investment income from the investment portfolio and other income generated by these activities. The expenses are related to programs or expenses not funded by the government. Externally funded research projects are also included in this category.

Contracted services account for activities that are provided on a fee for service basis. It is the intention that the fees entirely offset the costs of the programs.

The programs delivered by the Centre are described below:

Clinical and technical specialty services: provides seating, augmentative communication, adaptive technology, cleft lip and palate, medical clinics and gait analysis services to children from birth through young adulthood throughout Southwestern Ontario. Acute paediatric rehabilitative services at Children's Hospital at London Health Sciences Centre are also provided through this program.

Early childhood, school age and adolescent services: uses an interdisciplinary team approach to provide rehabilitation and habilitation services for children and their families from birth through young adulthood. Acquired brain injury outreach is also provided through this program.

Grey Bruce Preschool Speech and Language: Effective July 1, 2017, TVCC became responsible for the Preschool Speech and Language Initiative in the counties of Grey and Bruce. This program provides speech and language therapy service to preschool aged children up to full school entry.

Autism services: provides autism intervention program, school support, connections for students and community based applied behaviour analysis-based services. During the year, the Centre received increased funding to

Notes to financial statements

March 31, 2017

provide service continuity to families of children on the intensive service wait list who have reached age 5 and are awaiting transition to the new Ontario Autism Program that will be implemented by April 2018. The funding is provided to families in advance of spending and is reported as an expense when paid. Once the funds are spent, families are required to submit receipts for reconciliation and any unspent funds are expected to be returned.

Research: assists clinical staff in implementing research projects through consultation, education and the provision of resources.

Community resources: includes the resource centre that provides access to health-related information for families, staff and community partners; a specialized pool of equipment; the volunteer program, which coordinates the recruiting of volunteers from the community and placement in appropriate positions in the Centre; and coordination and support of the Opportunities to Participate programs.

Expenses for special purposes: funds that have been donated to the Centre for a specific purpose.

[b] Revenue recognition

The Centre follows the deferral method of accounting for contributions. Unrestricted contributions and fundraising grants and bequests are recognized as revenue when received or receivable if the amount to be received can be estimated and collectability is reasonably assured. Externally restricted contributions are deferred and recognized as revenue in the period in which the related expenses are recognized. Capital contributions for the purpose of acquiring capital assets are deferred and amortized on the same basis and over the same periods as the related capital assets. Fees for service are recognized when the services have been rendered.

Investment income (loss), which consists of interest, dividends, income distributions from pooled funds, and realized and unrealized gains and losses, are recorded in the statement of operations.

[c] Capital assets and amortization

All capital assets reflected in the statement of financial position are recorded at acquisition cost. Donated capital assets are recorded at fair value at the date of contribution. Amortization is provided on the straight-line method over the estimated useful lives of the assets as follows:

Tangible

Building 10 to 40 years
Furniture, fixtures and office equipment 5 years
Therapy and rehab equipment 5 years
Computer equipment 3 years

Intangible

Computer software 3 years

Notes to financial statements

March 31, 2017

[d] Allocation of expenses

The costs of personnel and other expenses directly related to functions are allocated to each function. The Centre also incurs general support expenses that are common to the administration of the Centre and each of its functions. Certain of these expenses are allocated to functions identified in note 3.

The allocated expenses include those related to senior management, human resources, finance, information systems, facility resources, communication and clinical records. These expenses are allocated proportionately based on personnel hours incurred, building space occupied or percentage of overall operating costs incurred.

[e] Multi-employer plans

Defined contribution plan accounting is applied to the multi-employer defined benefit plan, whereby contributions are expensed on an accrual basis, as the Centre has insufficient information to apply defined benefit plan accounting.

[f] Credit facilities

Credit facilities are initially measured at fair value, net of transaction costs and financing fees. They are subsequently measured at amortized cost. Transaction costs and financing fees are amortized using the straight-line method.

[g] Contributed materials and services

Contributed materials and services are not recognized in the financial statements.

[h] Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Examples of such estimations and assumptions include the useful lives of capital assets. Actual results could differ from those estimates.

[i] Financial instruments

The Centre has elected to record all investments at fair value. Transactions are recorded on a trade basis and transaction costs are expensed as incurred.

Other financial instruments include accounts receivable, accounts payable and accrued charges initially recorded at fair value and subsequently at amortized cost, net of provisions.

Notes to financial statements

March 31, 2017

3. Allocation of expenses

Central administration costs have been allocated as follows:

	2017 \$	2016 \$
Clinical and technical specialty services	890,051	838,263
Early childhood, school age and adolescent services	1,147,311	1,095,245
Autism services	1,464,152	1,432,379
Research	24,190	24,164
Community resources	85,180	85,238
	3,610,884	3,475,289

4. Capital assets

Capital assets consist of the following:

		2017		2016
		Accumulated		Net book
	Cost	amortization	Cost	value
	\$	\$	\$	\$
Tangible assets				
Building	18,964,242	8,678,220	18,439,533	8,070,584
Furniture, fixtures and office				
equipment	3,457,846	3,300,520	3,383,630	3,244,798
Therapy and rehab equipment	1,924,855	1,800,457	1,866,882	1,773,689
Computer equipment	2,083,732	1,902,872	1,956,292	1,784,644
	26,430,675	15,682,069	25,646,337	14,873,715
Intangible assets				
Computer software	649,252	623,292	620,759	614,565
	27,079,927	16,305,361	26,267,096	15,488,280
Less accumulated amortization	16,305,361		15,488,280	
Net book value	10,774,566		10,778,816	

5. Long-term lease

A long-term lease for the use of land has been entered into between the Centre and the London Health Sciences Centre. The term of the lease is 99 years with payments of \$1 to be made on an annual basis. The amount has been prepaid and 70 years remain in the term.

Notes to financial statements

March 31, 2017

6. Investments

Investments, all of which are recorded at fair value, have an asset mix as follows:

	2017	2016
	\$	\$
Money market funds	1,065,636	1,098,647
Bond funds	3,143,038	3,195,299
Canadian equity funds	2,462,075	2,252,909
Global and US equity funds	2,100,854	1,947,424
	8,771,603	8,494,279

Investment income consists of the following:

		2017		2016
	Government sponsored programs	Community funds \$	Total \$	Total \$
Dividends and interest Net realized and unrealized gains	3,076	228,115 410,968	231,191 410,968	231,815 (218,849)
Net realized and unrealized gains	3,076	639,083	642,159	12,966

Included in the above is an unrealized gain of \$387,853 [2016 – loss of \$318,427].

7. Credit facilities and term loan

The credit facilities established by the Centre's bank consist of a variable rate revolving demand facility of \$1,000,000 [2016 – \$1,000,000] bearing interest at a prime rate of 2.70% [2016 – 2.70%] minus 0.50% [2016 – 0.50%]. No amount has been drawn on this facility at year-end.

The Centre has a fixed rate term loan due June 5, 2018 bearing interest at 2.62% [2016 – 2.62%].

Interest costs incurred during the year amounted to \$15,579 [2016 – \$24,190].

Amounts drawn on these facilities are shown in the following table:

	2017 \$	2016 \$
Fixed rate term loan due June 5, 2018, repayable at \$26,750 [2016 – \$26,750] per month principal and interest	395,082	701,923
Less current portion	314,996	306,842
	80,086	395,081

Notes to financial statements

March 31, 2017

The following is a schedule of the future minimum annual principal repayments:

	
2018	314,996
2019	80,086
	395,082

8. Deferred contributions

Deferred contributions consist of the following:

	2017 \$	2016 \$
Expenses of future periods [a]	543,236	605,650
Related to capital assets [b]	10,776,634	10,677,140
	11,319,870	11,282,790
Less current portion	505,784	568,473
	10,814,086	10,714,317

The Centre's estimate of the amount of deferred contributions to be recognized in the next fiscal year is included in the current amount.

[a] Expenses of future periods

Deferred contributions related to expenses of future periods are as follows:

	2017 \$	2016 \$
Balance, beginning of year	605,650	647,325
Add amounts received related to future periods	2,172,234	886,134
Less amounts recognized as revenue during the year	(2,234,648)	(927,809)
Balance, end of year	543,236	605,650

Notes to financial statements

March 31, 2017

[b] Deferred contributions related to capital assets

Deferred contributions related to capital assets are as follows:

	2017	2016
	\$	\$
Balance, beginning of year	10,677,140	10,540,282
Additional contributions received [note 15]	803,225	777,168
Less amounts amortized to revenue	(703,731)	(640,310)
Balance, end of year	10,776,634	10,677,140
9. Internally restricted net assets		
Internally restricted net assets consist of the following:		
	2017	2016
	\$	\$
Funds restricted for other Board designated purposes	5,470,963	5,470,963

Funds restricted for Board designated purposes are used at the discretion of the Board of Directors. These funds are known as the "Children's Legacy For Success".

10. Net change in non-cash working capital balances

The following table details the components of net change in non-cash working capital balances related to operations:

	2017 \$	2016 \$
Accounts receivable Other assets	(92,112) (38,033)	385,511 99,011
Accounts payable and accrued liabilities	(38,033) 272,752	143,175
Due to government agencies	727,279 869,886	627,697

11. Healthcare of Ontario Pension Plan

Substantially all of the employees of the Centre are members of the Healthcare of Ontario Pension Plan ["HOOPP"], which is a multi-employer, defined benefit, final average earnings, contributory pension plan. The Centre's contributions to HOOPP during the year amounted to \$1,620,782 [2016 – \$1,513,029]. This amount is included in the statement of operations.

Notes to financial statements

March 31, 2017

The most recent actuarial valuation for financial reporting purposes completed by the HOOPP as at December 31, 2016 disclosed net assets available for benefits of \$70,359,000 [2015 - \$63,924,000] with pension obligations of \$54,461,000 [2015 - \$49,151,000], resulting in a surplus of \$15,898,000 [2015 - \$14,773,000]. The cost of pension benefits is determined by HOOPP at \$1.26 per every dollar of employee contributions. As at December 31, 2016, the HOOPP was 122% funded [2015 – 122%].

12. Government remittances payable

As at March 31, 2017, accounts payable and accrued liabilities include government remittances payable of \$40,504 [2016 – \$42,443].

13. Ministry of Children and Youth Services

The Centre's service contract with the MCYS requires management to produce various year end reports including an Annual Reconciliation Report, which shows a summary of all revenue and expenses and any resulting surplus or deficit that relates to the contract. These reports indicate that there is \$727,279 [2016 – \$nil] in excess funding for 2017 payable to the MCYS. The remaining amount owing of \$83,810 represents 2014 and 2015 reconciled amounts.

14. Financial instruments and risk management

The Centre's financial instruments include cash and cash equivalents, investments, accounts receivable, accounts payable and accrued liabilities.

The Centre's risks have not changed during the year.

Market risk

The Centre has an investment policy that restricts the types and amounts of eligible investments. Equity and fixed income securities are held within pooled funds. Risk and volatility of investments are mitigated through diversification of investments in different countries, business sectors and corporation sizes.

Credit risk

The Centre is exposed to credit risk in connection with its accounts receivable. The Centre's maximum credit risk is limited to the carrying value of accounts receivable. As at March 31, 2017, 95% of the accounts receivable balance is due from the provincial government and government funded organizations [2016 – 88%].

Foreign currency risk

The Centre's investments are denominated in Canadian dollars. Certain investments such as the US and other international equities subject to foreign currency fluctuations. The Centre mitigates the currency risk exposure of its foreign securities through diversification of the pooled funds, which are comprised of multiple currencies.

Interest rate risk

Interest rate risk refers to the adverse consequences of interest rate changes on the Centre's financial position and results of operations. Interest rate changes directly impact the value of fixed income securities. The Centre

Notes to financial statements

March 31, 2017

manages the interest rate risk exposure of its fixed income investments by holding shorter duration investments with varying terms to maturity.

Liquidity risk

The Centre is exposed to the risk that it will encounter difficulty in meeting obligations associated with its financial liabilities. The Centre has a planning and budgeting process in place to help determine the funds required to support the Centre's normal operating requirements on an ongoing basis. The Centre also manages its liquidity risk by forecasting cash flows from operations and anticipated investing, capital and financing activities, and maintaining credit facilities to ensure it has sufficient available funds to meet current and foreseeable financial requirements.

15. Applied behaviour analysis-based services

The Centre has a MCYS funded Autism program, Community Based Applied Behaviour Analysis-Based Services [MCYS code A598], with funding received as follows:

	2017 \$	2016 \$
Funding Operating expenditures	2,985,715 (2,888,365)	2,513,863 (2,497,143)
Funds deferred to offset future amortization of capital assets	(97,350)	(16,720)

Funding used for operating purposes was recognized as revenue totaling \$2,888,365 [2016 – \$2,497,143]. Additional funds of \$97,350 [2016 – \$16,720] were used for capital expenditures and have been deferred to offset future amortization expense.

16. Children's Health Foundation

On April 1, 2015, the Centre entered into a new five-year agreement with the Children's Health Foundation ["CHF"] under which the future fundraising activities of the Centre will continue to be undertaken on their behalf by CHF. The agreement provides for annual funding amounts approved in advance of each fiscal year through CHF's granting process. During this second year of the new contract, \$1,000,000 was received [2016 – \$668,835].

17. Commitments

The Centre has obligations under operating leases related to buildings. The approximate aggregate minimum payments required under such leases are as follows:

	\$
2018	400,561
2019	167,639
2020	61,713
